From The President's Desk

Dr. S. B. Mujumdar

Founder and President, Symbiosis
Chancellor, Symbiosis International (Deemed University)

Dr. S. B. Mujumdar was conferred **Padma Bhushan** in 2012 and **Padma Shree** in 2005 in recognition for his significant contribution to the field of Education.

Symbiosis 48 Years of Excellence in Education

Founded by visionary Dr. S. B. Mujumdar in 1971 as an International Cultural and Educational Centre, Symbiosis provides a 'home away from home' to a large number of students, including foreign students who come to Pune in pursuit of higher education. Living up to its name, which is a botanical term meaning 'living together for mutual benefit', Symbiosis has grown over the past two decades into a family of more than 48 academic institutions, providing education from Kindergarten to Post Graduation.

Distance learning is the education of the 21st century. The traditional method of teaching in a classroom, called brick and mortar education, has failed to reach millions of those thirsty for getting knowledge, in an age marked by Knowledge Revolution. Open and distance learning fulfils this need.

Symbiosis, which is always on the vanguard of making bold innovations, has established Symbiosis Centre for Distance Learning (SCDL) to offer different academic programs through distance education. Symbiosis Centre for Distance Learning (SCDL) is a centre of excellence offering quality distance education. I am sure those who aspire to acquire education at a time and place of their choice will be immensely benefited and will be qualified to fill posts of their choice with credit and confidence. I wish the Centre success.

Symbiosis has under its aegis India's first Skill Development Universities at Pune and Indore respectively.

Today, Symbiosis International University is one of the India's Top Deemed Universities (established after 2000) and is known in India and abroad as one of the best educational institutes imparting quality education in various fields such as Management, Law, Computers, Health Care, Arts and Commerce.

Symbiosis Open Education Society (SOES)

About Symbiosis Open Education Society (SOES)

A society committed to the cause of quality distance education, Symbiosis Open Education Society (SOES) is registered under the Societies Registration Act on 9th May, 2008 and is also registered as a public trust under Maharashtra Public Trust Act on 10th October, 2008. The objectives of SOES are:

- To promote, advance and disseminate knowledge through the open and distance learning system.
- To provide education, skill development and lifelong learning opportunities to all segments of the population from India and other countries.
- To enable development and growth of individuals, society and community at large.

SYMBIOSIS SKILLS AND OPEN UNIVERSITY (SSOU)

Taking the mission of Skill India forward, SOES has established India's first Skill Development University, Symbiosis Skills and Open University at Pune, Maharashtra. The state-of-the art campus is spread on 15 acres of land and has specialised laboratories, workshops, learning facilities and centres of excellence established in collaboration with Industries. The University offers skill based degree programs in high growth sectors such as Automobile, Mechatronics, Construction, Architecture, Retail, Ports & Terminal Management, Beauty & Wellness etc. The objective of the University is to create 'industry ready' youth who can be gainfully employed upon completion of their courses.

SYMBIOSIS VOCATIONAL JUNIOR COLLEGE (SVJC)

Symbiosis Vocational Junior College provides full-time vocational education at 10+2 level with an objective to interweave general education with skill-based work oriented competencies. Hands-on practical training blended with life coping skills, which is a combination of Personality Development, Communication Skills and Soft Skills, is the most important component of Symbiosis Vocational Junior College. The college offers programs in Business & Commerce group and Engineering & Technology group.

From The Director's Desk

Dr. Swati S. Mujumdar

Principal Director, Symbiosis Open Education Society
Director, Symbiosis Centre for Distance Learning

The Corporate Business Administration program has also gained tremendous popularity and SCDL is now an education provider to leading companies in India, such as Airtel, Bajaj Finance Ltd., Bharti Pvt. Ltd., Cipla, Cognizant, Collabera, Eaton Technologies Pvt. Ltd., HCL, Hindalco Industries Ltd., IBM, Vodafone, Walmart, Wipro, TATA AIA, EFL Pvt. Ltd., SBI General Insurance, Arvind Ltd., Zydus Wellness, TAFE Ltd., etc. SCDL has been invited by foreign universities for collaboration; which is a mark of our excellent quality education. I welcome each one of you to our 'Global Campus' where latest technology, innovative teaching methodologies and quality resources, are blended to create unique learning experiences.

We have embarked on a new mission, that of creating skilled youth by establishing the Symbiosis Skills & Open University at Pune, Maharashtra.

I am hopeful that this new University shall be a torch bearer in the field of skill based education.

Global boundaries are vanishing, merging people of diverse cultures, nationalities and age groups. Education is emerging as the most powerful platform in the 'boundary less' world. Distance learning opens new dimensions of opportunities for students to obtain higher education without the constraint of location and time. Symbiosis Centre for Distance Learning (SCDL) offers a chance to enhance your career and life through the medium of quality education.

Symbiosis Centre for Distance Learning (SCDL) has pioneered in India interactive e-learning content in the curriculum as a supplementary learning methodology, in order to improve the understanding of concepts through cases and examples. SCDL has, for the first time in India, introduced online assessment systems, to pursue our mission of 'flexible learning opportunities anywhere, anytime' and to provide ultimate convenience, ease and flexibility to our students.

Symbiosis Centre For Distance Learning (SCDL)

Vision

To create a Global Campus to provide education and training opportunities beyond the boundaries of a classroom, so as to transform the way people learn.

Mission

To provide learners with flexible learning opportunities anywhere, anytime.

Symbiosis Centre for Distance Learning (SCDL)

is one of the largest private distance learning education institutes in India.

It is located in the heart of India's premier educational centre, the city of Pune. SCDL has one of the finest interiors with state-of-the-art infrastructure and a skilled and dedicated team available to help learners fulfil their dreams. Since its inception in 2001, SCDL has made rapid strides in providing quality education to thousands of students in India and abroad making it one of the largest and most sought after distance learning institutes.

SCDL offers Post Graduate Diploma programs across industry sectors. In addition, our team partners with local, national and international organisations to offer corporate programs. Leading organisations, including Airtel, Bajaj Finance Ltd., Bharti Pvt. Ltd., Cipla, Cognizant, Collabera, Eaton Technologies Pvt. Ltd., HCL, Hindalco Industries Ltd.,

IBM, Vodafone, Walmart, Zydus Wellness, Wipro, TATA AIA, EFL Pvt. Ltd., SBI General Insurance, Arvind Ltd. EPIC Research, TAFE Ltd. etc., have collaborated with SCDL for corporate programs.

Through the means of open and distance learning, SCDL aims at creating a virtual 'Global Campus', uniting students from all nationalities, regions, age groups and occupations, opening new directions of opportunities for obtaining higher education and enhancing one's career and life. SCDL is committed to providing quality distance education and dedicated student care services to all its students from across the globe. SCDL strives to create an environment of academic excellence offering programs that are need based and value-added, thereby creating opportunities for lifelong learning, personal growth, improving skills and generating livelihoods. SCDL will continue on its mission of "*providing learners with flexible learning opportunities anywhere, anytime*".

Innovative Student Services

STUDENT CALL CENTRE

WALK-IN ADMISSIONS

Student Call Centre: SCDL has a dedicated call centre with counsellors to give prompt response and help answer student queries via telephone. It has introduced an integrated voice response system, which provides automated data to students prior to connecting with the counsellors.

Walk-in Admissions: SCDL has designed a walk-in admission process for the convenience of students, wherein a student may walk in the institute with all the required eligibility documents and walk out in 45 minutes with the admission confirmation letter.

E-COMMUNICATION CENTRE

ONLINE COUNSELLING

E-Communication Centre: The E-Communication Centre answers student queries via e-mail and guarantees a response time of one business day.

Online Counselling: SCDL provides online counselling to prospective students, facilitating their selection of programs.

Symbiosis World Campus

'Symbiosis World Campus' is a centre of learning with facilities such as Online Assignment Submission, Online Classrooms, E-Learning and E-Mentoring. Following services are made available to students via our virtual campus:

- Counselling and Mentoring
- Online Query Solving
- Online Faculty Interaction
- Online Live Classes
- On-Demand Exam Booking System
- Exam Guidance
- E-Learning
- E-Library
- Dispatch Tracking
- 'Post My Query' Facility
- Message Board
- Placement Assistance

Specialisations:

Finance, Marketing, Management Accounting, Human Resource, Operations, Customer Relationship Management

Overview

The objective of Post Graduate Diploma in Business Administration program at Symbiosis Centre for Distance Learning is to help participants pursue leadership positions in competitive business environments. The curriculum has been designed by a select panel of business professionals and prominent academicians and focuses extensively on business case studies and examples.

PGDBA program structure is based on compulsory core courses and specialisations. The first two semesters focus on core courses. Students can choose two electives from a long list of possible specialisations. It includes six specialisations: Marketing, Finance, Management Accounting, HR, Operations and Customer Relationship Management. Students have an option of dual specialisation for multi-disciplinary approach.

At Symbiosis, we help students create their path for a successful career and surge ahead of competition. Experienced academicians and guest lecturers from industry, dynamic content and live online sessions make learning at SCDL one of its kind and highly rewarding.

PGDBA program is AICTE approved.

Dual Specialisation

Dual Specialisation option is available for the PGDBA program. Dual Specialisation can be pursued only after successful completion of the first (primary) specialisation subjects / courses.

Evaluation Methodology

- Each course comprises of an assignment (30 marks) and computer-based examination (70 marks). Students should appear for the assessments on a timely basis and complete the program in the validity period.
- Assignments are of objective type and are available in the student login. Examinations include a subjective element in addition to the objective part. Examinations are conducted at designated exam centres across the country.
- Research Methodology and Statistical Quantitative Methods (RMSQM): Students are required to appear for assignment on RMSQM for 30 marks and submit a project of 70 marks in hard copy.

Award of Diploma

Diploma will be awarded only after student passes in all elements of assessments i.e. each computer based examination, each assignment and project subject to completion of program duration and fulfilment of all other criteria laid down by SCDL, including payment of all fees/dues.

Career Opportunities

Finance Manager, Financial Analyst, Business Analyst, Marketing Manager, Sales Manager, Brand Manager, Senior HR Officer, Placement Officer, Recruitment Coordinator, HR Head, Administrative Head, Purchase Manager, Operations Head, Branch Head, Team Leader, Customer Service Manager, Project Manager, Business Development Manager etc.

Exit Policy

Students who have successfully completed one full year of study (I & II Semesters) and have passed the examination & assignment corresponding to first two semesters, but are unable to complete the III & IV Semesters due to unavoidable circumstances will be eligible for Diploma in Management.

An eligible student will have to send an application to SCDL to opt out of the PGDBA program within the registration validity period. Fees paid for PGDBA are non-refundable and non-transferable.

“ I am a mechanical engineer having 17-year of work experience. I was thinking about learning something for my personal and professional growth. But, after such a long gap, I thought it will be difficult to pursue any degree with office work schedule. However, SCDL provided me the perfect opportunity to achieve my dream of acquiring higher education with guidance from expert faculty at SCDL. Today I find learning easy & I have found my path towards career growth. ”

Post Graduate Diploma in International Business (PGDIB)

Eligibility

- Bachelor's degree holder / Graduate in any discipline from a recognised University.
- International / SAARC Graduate from a recognised / accredited University / Institution.
- Students who have appeared for final year of examination of their bachelor's degree program and are awaiting results can also apply, subject to successfully completing their bachelor's degree program / graduation within the time period specified by SCDL.

Duration

- The duration of the program is two years.
- The registration period is valid for four academic years.

Overview

The international business environment is dynamic. A new and very different market reality is emerging. Students of today need to adopt flexible patterns of thinking and behaviour to succeed as the managers of tomorrow. Post Graduate Diploma in International Business program has been designed to explore in detail the nature and implications of these changes and provide students with the skills and mind-sets that will allow them to operate effectively within and lead the organisations of the future.

The participants learn export-import policies, documentation, international finance, in addition to the functioning of various financial institutes and banking. The program emphasises contemporary issues including international commercial law and business environment. Knowledge of India's foreign trade along with international marketing prepares the students to strike the right note when they enter the demanding world of corporate management.

“I gladly admit that the program has provided necessary insights into management principles applicable to the business world. Being a banker dealing with high value advances to medium enterprises, it is imperative to look beyond the financial statements of the companies. The course has given me a broader perspective of the business, helping me to understand my clients in a much better way.”

Mandeep Singh

Faculty of Management

Post Graduate Diploma in IT Management (PGDITM)

Eligibility

- Bachelor's degree holder / Graduate in any discipline from a recognised University.
- International / SAARC Graduate from a recognised / accredited University / Institution.
- Students who have appeared for final year of examination of their bachelor's degree program and are awaiting results can also apply, subject to successfully completing their bachelor's degree program / graduation within the time period specified by SCDL.

Duration

- The duration of the program is two years.
- The registration period is valid for four academic years.

Overview

The IT industry has emerged as one of the fastest growing sectors of the Indian economy. Given the unprecedented growth of IT industry, organisations require manpower that is proficient in both information technology as well as business aspect. A successful IT enterprise will have the right mix of sterling technology systems and proven business strategies. Developing systems requires extensive communication between technical developers, business managers and users.

With the rapid growth in international trade in various countries, Post Graduate Diploma in IT Management program with an emphasis on utilising information technologies for productivity and competitiveness, prepares you to succeed in your IT management career. The program's unique focus on the management of technology effectively prepares students for successful careers in the dynamic and fast-paced information technology marketplace.

The curriculum will help students acquire IT management positions, which are projected to be amongst the fastest growing through the next decade.

Specialisations: General Insurance and Life Insurance

Overview

Today's dynamic insurance sector offers excellent employment opportunities. Besides the Government organisations and several private insurance companies have entered the insurance market. This has increased the demand of professionally qualified personnel. PGDIM aims at creating professionals who can carve a rewarding and promising career in the insurance industry. PGDIM explores the multi-faceted world of insurance management and reflects on the growing interplay between insurance, risk management and financial services. The curriculum has been designed and developed in collaboration with industry experts and academicians. The program offers specialisation in General Insurance as well as Life Insurance with emphasis on legal aspects and risk management involved in the insurance sector.

PGDIM program is AICTE approved.

Evaluation Methodology

- Each course comprises of an Assignment (30 marks) and computer based examination (70 marks). Students should appear for the assessments on a timely basis and complete the program in the validity period.
- Assignments are of objective type and are available in the student login. Examinations include a subjective element in addition to the objective part. Examinations are conducted at designated exam centres across the country.
- In Semester III, students are required to submit a project of 100 marks in hard copy.

Award of Diploma

Diploma will be awarded only after student passes in all elements of assessments i.e. each computer based examination, each assignment and project subject to completion of program duration and fulfilment of all other criteria laid down by SCDL, including payment of all fees/dues.

Career Opportunities

Insurance Consultant, Business Development Manager, Insurance Agent, Development Officer in an Insurance Organisation.

Post Graduate Diploma in Export & Import Management (PGDEXIM)

Eligibility

- Bachelor's degree holder / Graduate in any discipline from a recognised University.
- International / SAARC Graduate from a recognised / accredited University/ Institution.
- Students who have appeared for final year of examination of their bachelor's degree program and are awaiting results can also apply, subject to successfully completing their bachelor's degree program / graduation within the time period specified by SCDL.

Duration

- The duration of the program is one and half years.
- The registration period is valid for two academic years.

Overview

Post Graduate Diploma in Export and Import Management gives a foundation to participants who seek a career in international markets and trade. The program focuses on international business practices, customs, policies and international issues such as International Supply Chain Management, Marine Insurance, Export Import Documentation and Procedures, International Trade Barriers and Risk Management.

The program also includes a project on EXIM, which will give the student an opportunity to learn the practical aspects of international trade.

With the rapid growth of international trade in various countries, several highly rewarding job opportunities have opened up for participants trained in export import transactions. Some of the sectors that offer ample scope in export management include trading houses, export departments of companies, development authorities and commodity boards, marine insurance companies, export processing zones, export promotion councils and export oriented units, among other organisations.

Post Graduate Diploma in Business and Corporate Law (PGDBCL)

Eligibility

- Bachelor's degree holder / Graduate in any discipline from a recognised University.
- International / SAARC Graduate from a recognised / accredited University/ Institution.
- Students who have appeared for final year of examination of their bachelor's degree program and are awaiting results can also apply, subject to successfully completing their bachelor's degree program / graduation within the time period specified by SCDL.

Duration

- The duration of the program is one and half years.
- The registration period is valid for two academic years.

Overview

To deal with the new challenges in the corporate world, legal professionals with the ability to unravel legal complexities are in demand. Understanding the laws of the land is important to avoid time-consuming and expensive litigations. PGDBCL program aims at imparting knowledge of various businesses and corporate legislations.

PGDBCL program covers various facets of business and corporate legislation and is a judicious mixture of the two. It includes recent acts such as the Limited Liability Partnership Act, 2008, the Companies Act, 2013 with recent amendments and the Insolvency and Bankruptcy Code, 2016. Besides, the program familiarises students with international business laws and laws related to banking. Keeping in focus the needs of the open economy, this program includes areas such as mergers and acquisitions, foreign direct investment, due diligence procedure, alternative dispute resolution mechanisms etc.

PGDBCL program is AICTE approved.

- The registration period is valid for two academic years.

Overview

Project Management is the art and science of converting Vision into Reality and Abstract into Concrete. Project Management addresses the issues of change and transition throughout the project life cycle starting from need awareness, initiation, planning, implementation, control and closing in the most effective manner.

This program is based on the Project Management Body of Knowledge (PMBOK) 6th edition released by PMI. Students will learn five basic processes i.e. Initiating, Planning, Executing, Monitoring & Controlling and Project Closing. The program intends to cover the overview of ten knowledge areas that are typical in almost all projects.

Evaluation Methodology

- Each subject comprises of an online assignment (30 marks) and computer-based examination (70 marks). Students should appear for the assessments on a timely basis and complete the program in the validity period.
- Online assignments are objective type and are available in the student login. Examinations

Fee Structure

* Option 1 One Time Payment

General	₹ 46,000/-
Defence	₹ 43,000/-
International	US \$2400
SAARC	US \$1300

* Option 2 1st Instalment 2nd Instalment

General	₹ 31,000/-	₹ 20,000/-
Defence	₹ 30,000/-	₹ 17,000/-
International	US \$1600	US \$1100
SAARC	US \$900	US \$600

include a subjective element in addition to the objective part. Examinations are conducted at designated exam centres across the country.

- In Semester III, students are required to submit an online Project of 100 marks.

Award of Diploma

The Diploma will be awarded only after the student passes in all elements of assessments, i.e. each computer based examination, online assignment and project, subject to fulfilment of all criteria laid down by SCGL as well as payment of all fees/dues.

Career Opportunities

Qualified project managers are in high demand in today's workplace in both large and small organisations. It opens opportunities in a wide range of industries like construction, automotive, information technology, pharmaceutical, telecommunications, oil, gas and petrochemical, finance, government and all project based organisations.

Overview

Instructional design is the process of converting information into rich learning content, using established learning theories. It is a systematic process that involves analysing learner profiles and training needs, organising information according to established standards and creating learning plans and content to achieve specific goals. Traditional training methodology focuses on a predominantly one-way transfer of information. The theories of instructional design, however, focus on a result-oriented learning approach in which the users are able to achieve specific goals in a given environment. It is primarily used to develop computer based and web-based content.

PGDID program provides basic theoretical and practical skills needed to design, deliver and evaluate courseware. Students explore the theories of Instructional Design through reading, viewing e-learning modules and practical applications. The program aims at acquisition of professional qualification in Instructional Design as well as self-enrichment and improvement of job-related skills.

Fee Structure

* Option 1 One Time Payment

General	₹ 29,000/-
Defence	₹ 25,000/-
International	US \$1500
SAARC	US \$850

* Option 2 1st Instalment 2nd Instalment

“I have pursued PGDID program from SCDL in 2018. Being in HR (Learning and Development) vertical, this course has enabled me to understand the various areas of content development & Instructional Design. Overall, I would certainly recommend working professionals to pursue programs from SCDL as there are various advantages like flexibility of time & affordability which will help individual to upgrade their skillset while continuing to work.”

Post Graduate Diploma in Pre-Primary Teacher's Training (PGDPTT)

Eligibility

- Bachelor's degree holder / Graduate in any discipline from a recognised University.
- International / SAARC Graduate from a recognised / accredited University/ Institution.
- Students who have appeared for final year of examination of their bachelor's degree program and are awaiting results can also apply, subject to successfully completing their bachelor's degree program / graduation within the time period specified by SCDL.

Duration

- The duration of the program is one year.
- The registration period is valid for two academic years.

Overview

In recent years, there is an increasing demand for qualified personnel to work with young children in pre-primary schools. Not all pre-primary schools, however, are run by trained teachers who know how to best facilitate learning in young children. This program is designed to reduce the gap between the available and demanded competencies in this field. It equips teachers with the knowledge of various teaching aids and classroom management. The practice teaching session gives them practical exposure.

This program will enable candidates to teach at the pre-primary level and help in-service teachers who want to upgrade their skills and qualifications. Knowledge of various aspects of child education is also perfect for mothers who want to teach their children at home. It gives a direction to those who would like to open a pre-primary school.

This program helps an individual to:

- Understand the needs & cognitive development of children.
- Understand child psychology especially that of young children in the age group of 3-6 years, who would be stepping out of the familiarity of their homes for the first time.
- Recognise the healthy physical and mental developmental patterns in a young child.

Fee Structure

* Option 1 One Time Payment

General	₹ 29,000/-
Defence	₹ 25,000/-
International	US \$1500
SAARC	US \$850

* Option 2 1st Instalment 2nd Instalment

General	₹ 22,000/-	₹ 11,000/-
Defence	₹ 18,000/-	₹ 12,000/-
International	US \$1200	US \$600
SAARC	US \$700	US \$300

- Decode a child's learning style, which is essential for ensuring that what is being taught within the classroom is absorbed by the child with minimum exertion.

Evaluation Methodology

- Each course comprises of a submission (30 marks) and computer-based examination (70 marks). Students should appear for the assessments on a timely basis and complete the program in the validity period.
- The examinations include a combination of objective and subjective element. Examinations are conducted at designated exam centres across the country.
- Students are required to submit Submissions (30 marks each) in hard copy for all subjects at the end of the semester.
- Submissions are a compulsory academic component of curriculum, where student is required to submit submissions in the form of Resource File. The resource file comprises of lesson plan which the student needs to conduct in a preschool, do teaching and learning activities, prepare school observation report, case study report etc.

Credit Points: 34

Award of Diploma

Diploma will be awarded only after student passes in all elements of assessments i.e. each computer based examination, each assignment & submissions, subject to completion of program duration and fulfilment of all other criteria laid down by SCDL, including payment of all fees/dues.

Introduction to Creative Forms of Writing

“I chose SCDL because it's the only institute providing Creative Writing related course in India. The program has an insightful, rich and resourceful curriculum. It has a good concept of virtual classroom which enabled me to interact with the mentors to get guidance and support. Learning was fun more than a burden with SCDL. My confidence & profile both have been enhanced to greater levels. Moreover, this course took me nearer to my goal of writing a book on anthology and has given me wings to fly towards my dreams. **”**

Diploma in English Language Teaching (DELT)

Eligibility

- XII Standard pass-out with minimum 50% marks in English Subject.
- Diploma holder / Bachelor's Degree Holder / Graduate in any discipline from a recognised University with 50% marks in English subject.
- Completed Diploma / Bachelor's Degree / Graduation in English medium.
- International / SAARC Graduate from a recognised / accredited University / Institution.
- Students who have appeared for final year of examination of their bachelor's degree program and are awaiting results can also apply, subject to successfully completing their bachelor's degree program / graduation within the time period specified by SCDL.

Overview

Diploma in English Language Teaching program is designed to help students develop proficiency in teaching English. One of the ways of learning a language well is to prepare oneself to teach it. This program trains students to learn different aspects of the English language, from a teacher's point of view. Individuals, who wish to teach English, may opt for this program.

The objective of the program is to bridge the gap between theory and practice in the methodology of teaching English. The program also aims at developing reading and writing skills and English vocabulary.

Evaluation Methodology

- Each course comprises of a hard copy submission (30 marks) and computer based examinations (70 marks each). Students should appear for the assessments on a timely basis and complete the program in the validity period.
- The examinations include a combination of objective and subjective element. Examinations

Single Courses

Eligibility

- Bachelor's degree holder / Graduate in any discipline from a recognised University.
- International / SAARC Graduate from a recognised / accredited University / Institution.
- Students who have appeared for final year of examination of their bachelor's degree program and are awaiting results can also apply, subject to successfully completing their bachelor's degree program / graduation within the time period specified by SCDL.

Duration

- The duration of each course is six months.
- The registration period is valid for one academic year.

Overview

SCDL offers a range of single courses with multi-entry facility and credit banking. Students can enroll for single courses offered by SCDL with a view to develop area-specific skills and obtain subject-specific knowledge.

The credits accumulated by a student can be transferred to other SCDL programs, providing them flexible learning pathways. Students can enroll for one or more (maximum of 4) single courses offered by SCDL. However, students who have registered for any other programs with SCDL cannot enroll for a single course that is already included in their program curriculum. Students are required to fill separate admission forms (and go through all procedures for admission) for each course they wish to enroll for.

Award of Certificate

Certificate will be awarded only after student passes in all elements of assessments i.e. each computer based examination and each assignment subject to completion of program duration and fulfilment of all other criteria laid down by SCDL, including payment of all fees/dues.

Evaluation Methodology

- Each single course comprises of an assignment (30 marks) and computer-based examination (70 marks). Students are requested to appear for the assessments on a timely basis and complete the program in the validity period.

Fee Structure

Sales and Distribution Management	
Strategic Management	

Note: Single Courses are autonomous courses.

Students will be provided downloadable e-book.

- Assignments are of objective type and are available in the student login. Examinations include a subjective element in addition to the objective part. Examinations are conducted at designated exam centres across the country.

Admission Process

Student Categories

- **GENERAL CATEGORY:** Students, who have completed their education in India and would like to take their examination from India and avail all services in India, will be considered in the General Category.
- **DEFENCE CATEGORY:** Special fee concession is given to active Defence Personnel (Army, Navy and Air Force) and Paramilitary / Police Personnel, as a token of appreciation and recognition of their services to our nation. Fee concession is not available to civilian category, personnel working in Defence establishments (Ministry of defence / D.R.D.O. etc.) and Retired Defence / Paramilitary / Police Personnel and their dependents.
- **INTERNATIONAL CATEGORY:** International students are those who hold the passport issued by a foreign country, including people of Indian origin (NRIs) who have acquired the nationality of a foreign country.
- **SAARC CATEGORY:** South Asian Association for Regional Cooperation (SAARC) is an organisation of South Asian nations of Afghanistan, Bangladesh, Bhutan, India, Maldives, Nepal, Pakistan and Sri Lanka. Students, holding passport issued by a SAARC country (except India), including people of Indian origin (NRI's) who have acquired the nationality of a SAARC country will be considered under SAARC category.

Students holding Indian passport but residing in SAARC/ International Country, at the time of applying for admission irrespective of the duration of their stay and having valid visas will also be considered under SAARC/ International country students.

How to Apply?

Step 1: Purchase Application Form

- The fee to purchase the application form for applicants of General/Defence category is Rs 1,000/- and for International/SAARC category is USD 100 or Rs 7,100/-.
 - You can purchase the application form online via our website: www.scdl.net.
 - You can also purchase the application form from SCDL Campus, by hand in person.
- Note:** No request shall be accepted to purchase application form by post. Application form fee is non-refundable.

Step 2: Registration

Submit by hand or by registered post or by courier, the duly filled application form along with photo copies of academic documents duly attested by class one gazette officer or notarised from notary, copy of work experience documents (if any), name change document (if any), 2 passport size recent photographs, copy of Govt. photo identity proof and complete program fee, to SCDL Pune Campus.

Step 3: Fee Payment

- Submit your complete program fee as per timelines specified online through payment gateway or by demand draft for the enrolled program. The Demand Draft should be in favour of "**The Director SCDL, Pune**" payable at Pune.

Enclosures with the Application Form

- The application form should be filled with all required information. In case incomplete or incorrect information is provided, the application form shall be rejected. Application form should be signed by the student.
- Two coloured passport size recent photographs. Childhood photo, side face & selfies are not accepted.
- Govt. photo Identity proof, clear copy (e.g. Passport, PAN Card, Driving Licence, Adhar Card, Election Card).
- Photocopy of the Bachelor's Degree Certificate / Provisional or Passing Certificate / all year marksheets, duly attested by class one Gazette Officer or notarised by a notary as per the applicable eligibility for the applied program. Local language, Self-attested document or photocopy of attested document is not accepted.
- XII Standard Marksheets photo copy duly attested by class 1 gazette officer or notarised by notary.
- Service certificate (applicable for active Defence Personnel only).
- Name change document (if applicable).
- Single Demand Draft for Program Fee (giving candidate's name/details on the reverse side). The Demand Draft should be in favour of: "**The Director SCDL, Pune**" payable at Pune.
- For International/SAARC students, photocopy of passport page showing valid visa of the foreign country.

Note: Students should not send any original academic documents to SCDL. SCDL is not liable for return/loss of original academic documents sent by students. SCDL will not accept any fees in cash, sent by post / courier to SCDL. **Submission of documents within the timelines, for confirmation of admission, is the sole responsibility of the student.**

Admission Type

Confirmed Admission

Students who fulfil all the admission related eligibility criteria as per SCDL policies get **Confirmed** admission. An admission letter along with a student ID card is sent to the students by post. In addition, students get access to pay program fee online through payment gateway and the **Student Handbook** in their respective student login.

Provisional Admission

Students admitted on **Provisional** basis do not receive SCDL student ID card till their admission is **Confirmed**. Provisional Admission is given, when admission related eligibility criteria as per SCDL policies is not fulfilled and documents are having deficiencies like:

- 2 coloured passport size recent photographs are not attached or are improper or are not clear.
- Academic Qualification related documents photocopy is self-attested / is photocopy of attested document / attested by Non-Gazette Officer / attested in local language & is not readable / attestation is not clear.
- Govt. Photo identity proof is not attached or the attached photocopy is not clear.
- Service Certificate (for Active Defence Personnel) is not, attached / attested / correct.
- Visa / Passport copy (for International / SAARC students) is not enclosed / is expired / is incorrect.
- Name change document copy (if any) is, not enclosed / not clear / in local language & is not readable.
- Application form is not signed. Inadequate document attached or application form is incomplete.

Provisionally admitted students must submit required documents and comply with the deficiencies immediately upon receipt of email sent by SCDL with respect to provisional admission status, as specified, to get confirmed admission.

The admissions of provisionally admitted students, who fail to submit the required documents within the last date specified (refer last date under section Important Dates) in the prescribed format, will stand cancelled. Such students will not be entitled for refund of any fees paid. It is the sole responsibility of students to submit all the required documents in the prescribed format within timeline specified by SCDL.

Examination Centres

Students can appear for exams through SCDL Designated Exam Centres across the country. SCDL does not provide facility to reserve / guarantee availability of exam slots at any exam centres. Booking of exam slots is on first come first basis. Slots once booked cannot be changed. Exam fee is to be paid separately per paper per attempt and is not included in course / program fee. **Exam fee is non-refundable and non-transferable.** List of states where SCDL exam centres are located is given below;

State wise exam centre list:

Andhra Pradesh	Goa
Assam	Gujarat
Bihar	Haryana
Chandigarh	Himachal Pradesh
Chhattisgarh	Jammu and Kashmir
Delhi	Karnataka

Kerala	Rajasthan
Madhya Pradesh	Tamil Nadu
Maharashtra	Uttar Pradesh
Odisha	Uttarakhand
Punjab	West Bengal

* Detailed list of SCDL exam centres is available on SCDL website.

Note: In an event of any force Majeure due to which the student is unable to attempt the exam in his/her slot or at the exam hall, SCDL will make required arrangements for such student(s) to reattempt the exam at another convenient date/time at no cost to the student(s). Force Majeure is described as natural disasters, sudden / unexpected failure of electricity / computer hardware and software, local unrest, riots etc.

Fee Policies and Guidelines

Mode of Payment

- **Online:** Students can pay application form fees, program fees and all exam fees online.
- **Demand Draft:** Students can pay fees via Demand Draft (DD) drawn in the favour of “**The Director SCDL, Pune**” payable at Pune. All DDs should be sent by Post/Courier to SCDL, Pune only. **Student must mention their name, registration number, contact number, program enrolled and type of fees being remitted on the reverse side of the Demand Draft using ball-pen only.** Students must retain a photocopy of the Demand Draft sent to SCDL. SCDL will not be responsible for lost / delayed / unidentified DDs. SCDL is not liable for loss of financial instruments in transit or for unidentified financial instruments, i.e. without sender's details or reason of fee remittance on the reverse of the DD. Cash must not be sent to SCDL by Post/Courier. SCDL will not be responsible for depositing of any DD which is not **payable in Pune** or cash sent by post/courier. **Payments made via cheques and or any co-operative banks DD are not accepted.**

Note: International/SAARC students: Such students must remit all fees in USD or INR equivalent, as prescribed by SCDL. The exchange rate applicable will be Rs. 71/- against 1 USD for the current financial year.

Fee Policies for Payment of Fees

- Students have two options to pay the program fees as per below specified timelines.
 - **Option 1: One-Time Payment:** Pay full program fee in one-time payment, as specified for respective program, within 30 days from the date of grant of confirmed admission.
 - **Option 2: Two-Instalments:** Pay full program fee in two-instalments, as specified for respective program:
 - Pay 1st instalment within 15 days from the date of grant of confirmed admission.
 - Pay 2nd instalment within 30 days from the date of payment of 1st instalment.
- Students admitted on provisional basis and irrespective of their fee payment status, will not be allowed to access any student related services and learning facilities. They are not allowed to appear in any examinations or submit any assignments for the enrolled program, until the time they comply with all the deficiencies mentioned in the provisional admission letter.
- **Students with confirmed admission, who fail to pay fee within specified timeline will not be allowed to access any student related services and learning facilities. They will not be allowed to appear in any examinations or submit any assignments for the enrolled program.**
- Students with confirmed admission and full fee paid will be able to avail, Student Services and Learning facilities like: Online Classes, Online query solving with Faculty, E-Library and E-Learning, Assignments and Personal Contact Programs.
- Students will be able to book exam slot for Computer Based Examinations in their student login, only after their admission is **CONFIRMED** and they have **paid the FULL FEE of the enrolled program.**
- Students, who fail to pay complete fee or those who have paid only the 1st instalment, will have to pay late fee over and above the **outstanding Program fee amount as per timelines given by SCDL.**
- **The applicable late fee is as under:**

Program Duration	General	Defence	SAARC	International
All 2 years	₹ 5,000	₹ 4,500	USD 150	USD 300
All 1.5 years	₹ 3,000	₹ 2,500	USD 100	USD 200
All 1 year	₹ 1,000	₹ 1,000	USD 25	USD 30

Fee Policies and Guidelines

- Failure to pay complete program fees, even with late fee as per the prescribed deadline will result in the cancellation of admission.
- A student, with admission cancelled by SCDL due to non-compliance of eligibility or non-payment of program fees within the prescribed timeline, will not be eligible for any refund of paid fees and any such request will not be entertained.
- Exam fee is to be paid separately, per paper per attempt and is not included in program fee. Exam fee is non-refundable and non-transferable.
- Students are required to pay Rs 400/- [for General and Defence category], USD 25 (for International category) and USD 20 (for SAARC category) per exam, for the enrolled program.
- Students get 2 free attempts of assignments (in case of failure) and subsequently have to pay Rs 350/- [for General and Defence category], USD 20 (for International category) and USD 15 (for SAARC category) per attempt.
- SCDL is not liable to refund any excess/ unidentified fee(s) paid by the student towards program/ course/ examination or any other fees. Such excess fees may be utilised for any other applicable services (as allowed by SCDL) by the student in the same financial year subject to the Director's approval. Students must submit a formal application to SCDL through the Service Request Form (SRF) for the same, on or before **March 1, 2020**. Students must ensure and retain proof of receipt for the SRF sent to SCDL.
- Students will not receive credit of fees or any other documents, unless proper details are mentioned on the reverse of the DD or any other documents. It is the sole responsibility of the student to mention registration number, program name and type of fee details, while sending the fees or any other documents, to enable SCDL to identify the student and the purpose of remitting the fees or sending the document. The student is entitled to claim such unidentified amounts (upon providing sufficient proof) on or before **March 1, 2020**. Failing this, such unidentified amounts will be forfeited and the student will have no claim whatsoever on the said amount.
- Demand Drafts received without any information of the student and/or type of fee(s) remitted is processed under suspense account. Such demand drafts may be transferred to the respective student's account in the same financial year, i.e. till **March 1, 2020**, after which such queries/applications will not be entertained/processed. Students must submit a formal application along with proof for the same on or before **March 1, 2020**.
- **As per RBI rules, a demand draft is valid only for 90 days. SCDL will accept DDs till 60 days from the date of issuance of a DD.**
- **SCDL will not accept any personal/ banker's cheque or any co-operative bank demand drafts for any kind of fee payment.**
- **SCDL does not take any responsibility to return such personal/ banker's cheque or co-operative bank demand drafts or to credit the same to the student's account.**
- For payment of fees, students are instructed to use either SCDL payment gateway or send Demand Drafts to SCDL, Pune Head Office. Students should not pay any fees directly to any centre / bank / office, other than SCDL Pune Head Office. SCDL shall not responsible for any loss incurred by students in regard to any fees paid to any other centre / bank / office, other than SCDL Pune Head Office.
- Students are informed and advised **not to send** any type of fees in the form of cash by post / courier. SCDL will not accept and will not be responsible for the return of cash sent by post / courier.
- Each student has to send a separate DD towards any applicable fees. Consolidated DD of two or more students or student services will not be accepted.
- International/ SAARC students can pay the program fees in INR, the **exchange rate applicable will be Rs. 71/- against 1 USD** for the current Financial Year.

Fee Policies and Guidelines

- Students can apply for change of category from International / SAARC to General (refer to student handbook for details) but there will be no refund of the paid program fees.
- If a student wants to change category from General to International/SAARC, he/she will have to pay the difference in the program fees in INR or USD (as per prescribed exchange rate) and submit photocopies of valid visa and address proof.
- The detailed guidelines, policies and timelines of various activities and access related to admissions, academics, evaluations and fee details with respect to project, case studies, resource file submission, re-submission can be referred in the Student Handbook and Exam Handbook made available in student login.
- Students can refer administrative charges for other services available in student login.

Cancellation of Admission

- It is the sole responsibility of the student to pay all prescribed fees as per the timelines mentioned in the prospectus for the program in which he/she has enrolled. If a student fails to pay the fees as per the timelines, then in such a case, his/her admission shall stand cancelled.
- In case of students enrolled on a provisional basis, if the documents required for the purpose of eligibility are not submitted or if submitted with deficiencies (i.e. not in the manner prescribed) and the deficiencies are not made good within the last date specified (refer last date under section Important Dates) or within 15 days of communication to that effect, whichever is later, then his/her admission shall stand cancelled.
- In an event of not completing the program within the time / validity period specified by SCDL, the student login shall be locked and admission shall stand cancelled.
- In all the cases as mentioned above the student is not entitled to any refund of paid fees.

Refund of Program Fees

- Students desiring to cancel their admission need to submit an application for cancellation of admission (Application for Refund of Program Fees) only in the prescribed format, available in the student login on SCDL website, within the last date specified (refer last date under section Important Dates) for the enrolled program.
- Students will receive only the refund for program fees paid by them after the deduction of ₹ 1000/- as administrative charges, on the paid amount. **Application form fee is non-refundable & non-transferable.**
- Refund application will be processed only after the student return to SCDL, the self-learning material, confirmed / provisional admission letter, ID card or any other SCDL material that the student has in his/her custody. In case the study material and/or ID card are not returned to SCDL on or before the prescribed deadline. ₹ 1000/- and ₹ 150/- [for General and Defence/ Paramilitary/Police category], USD 60 and USD 35 (for International category) & USD 52 and USD 25 (for SAARC category) will be deducted from the refunded amount for Study Material and ID card respectively.
- **Any application for refund of program fees will not be accepted if received after the last date specified (refer last date under section Important Dates).**

Important Points

- SCDL is a stand-alone institute and is not part of any University.
- Students must retain with them a photocopy of the duly filled in application form, demand drafts, case studies and other paper submissions sent to SCDL.
- Instructions given in the Student Handbook, Exam Handbook and any other instructions given through print or website are the rules and policies of the Institute.
- There is no facility for improvement in passed components of the applied course / program.
- SCDL shall provide Self-Learning Material in printed form/Online learning material in soft copy (e-Books) for specific programs in English language only. SCDL is not liable to provide the aforesaid material in any other form or in any other language as specified under the respective program/s.
- Students enrolling themselves for any program of SCDL should ensure that they have necessary computer-based operational knowledge and access to internet, as majority of the services & communications related to the programs are computer-based. SCDL shall not be liable for any operational loss/damage arising out of deficiency of such knowledge/computer skills.
- Students must ensure that they meet the pre-requisites, if any, as specified for respective programs.
- It is also clarified here that differently abled students shall make necessary provisions / arrangements at their own cost and expenses to understand the self-learning material and or to appear for examination and or to perform any action related to the program. SCDL shall not be liable to incur any expense on such account. SCDL shall also not be liable for any loss/damage arising out of negligence / inability of differently abled students to understand the self-learning material and or to appear for examination and or to perform any action related to the program.
- Students will be informed on their personal email and or mobile no., (by email/sms/call) various updates and important information about activities taking place at SCDL from time to time.
- SCDL shall not be responsible for any loss incurred by student due to non-receipt of updates on timely basis due to incorrect contact details. Students must ensure that their contact details are up to date at SCDL and inform SCDL immediately in case of any changes.
- In the event of successfully completing the program in the specified duration or validity period, the student login shall be locked.

Disclaimers

Right to Amend Rules

The Institute reserves the right to amend the rules and regulations, whenever and wherever considered necessary and appropriate. Such amendments will be intimated to the students. Therefore, these publications, and the descriptions contained herein, are not to be construed as a contract binding on the Institute to any specific policies. Possible changes include, but are not limited to, course content, passing

requirements, eligibility criteria for examinations, fee structure, refund policy, admission cancellation policies and rules, curriculum and course content, examination pattern, policies and timelines, certification and designation, assignment pattern, examination, online class/lectures and contact program centres and such other matters, as may be considered relevant.

Student Undertaking

- It is assumed that all students seeking admission to SCDL programs have carefully read the Prospectus and website and further agree to abide by the rules and regulations of the Institute.
- Students submitting the application form for seeking admission to any program/course at SCDL are assumed to have read the rules and policies related to eligibility, provisional admission, fees, cancellation of admission, refund of program fees & disclaimers mentioned above and agree to the same, as mentioned in the application form and prospectus.
- Students are instructed to carry their respective SCDL student ID card, exam hall ticket and government ID proof in original hard copy to appear for exam. If the student fails to carry any one of the above specified items, the student shall not be allowed to appear for exam.
- Students are instructed not to use any unfair means in the examination hall. Students are not allowed to bring any materials such as digital diary, cell phone, pager, palmtop in the examination hall. In case a student is found using any of these items as mentioned above during the examination, in the examination hall or in the premises where the examination is being conducted, SCDL has the right to cancel that student's admission and in such a case, the student shall not be entitled to any refund of fees.
- Students are requested to immediately intimate SCDL, for any change in their communication address / email-id / mobile no. etc. SCDL shall not be responsible for non-receipt of ID card / Admission Letter / Study Material / any other correspondence done by SCDL with the student, if the change of contact details are not communicated to SCDL well before the schedule of dispatch of their material / any other important updates, as notified on the website, the student will have to bear the cost of delivery.
- Students to take note that, dispatch details wrt ID card / Admission Letter / Study Material / any other correspondence dispatched to student is updated on the website, in student login after 24-48 hrs from the date of dispatch of the correspondence.
- Students are requested to take note about SCDL's Right to Amend Rules (specified above) & agree to the same through this understanding.
- No donation or capitation fee is charged for admission to any course at any institute of Symbiosis.

Jurisdiction

All disputes between the applicant / student and the Institute, including any dispute relating to purchase of application form, payment of fees, refund of fees, admission, examination, certification etc. shall be exclusively subject to jurisdiction of only Pune Courts.
